

include/square.hpp

```
graph TD; A[include/square.hpp] --> B[string]; A --> C[vector]; A --> D[iostream];
```

A diagram illustrating the contents of a header file. At the top, a gray rectangular box with a black border contains the text 'include/square.hpp'. Three blue arrows originate from the bottom edge of this box and point downwards to three separate white rectangular boxes with gray borders. The leftmost box contains the text 'string', the middle box contains 'vector', and the rightmost box contains 'iostream'. This represents the header file including these three standard C++ libraries.

string

vector

iostream
